DETAILED ACTION

Response to Arguments

1. Applicant's arguments with respect to the claims have been considered but are moot in view of the new ground(s) of rejection.

Claim Rejections - 35 USC § 103

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

3. Claims 1-20 are rejected under 35 U.S.C. 103(a) as being unpatentable over Ober et al (US # 4,632,199) in view of DE-78 13 781 U1. Ober et al shows a scale that has a detachable keyboard/display unit, in at least one embodiment (Col. 2, lines 54-66). Ober et al discloses the claimed invention except for the retractable cord that lies loosely in an interior compartment. However, it is well known to place retractable cords into the housing of peripheral devices as shown by the example of the reference DE-78 13 781 U1 that shows that it is known to make a compartment for a retractable cable for an electrical device configured in such a way that the cable is freely movable inside the corridor compartment. It would have been obvious to the ordinary practitioner to place a retractable cord in the device of Ober et al, as suggested by DE-78 13 781 U1, to prevent excess lengths of cord from laying about thereby entangling other cords or devices.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
